

Product Description for Sales Sheet

Linea Shower System

Classic materials, modern design.

Inspired by millennia of architectural design and artisan craft, Linea Shower System translates the luxury of the ages into the world of contemporary design. Linea embodies the prized aesthetic values of clean lines, monolithic surfaces, and artistic creativity. Linea seamlessly adheres to commercially available pre-sloped linear drain waterproof systems. The classic terrazzo materials, transformed into a modern palette of colors, bring depth and warmth to modern linear shower installations.

Advantages

- Easy to transport and install
- Can be cut to fit on site
- Pairs with commercially available pre-sloped, waterproof shower systems
- Eliminates the need for a traditional mud bed installation
- Antimicrobial
- Artisan made

Uses

- Industrial, commercial, and residential bathrooms where a linear drain and pre-sloped shower pan are required
- Interior use only
- Independent shower stalls in multi-shower locker rooms
- Pet showers

The terrazzo collection is available in a palette of five desirable colors. The curated colorways allow for design freedom, creating an adaptable canvas that works with any style.
